FOR IMMEDIATE RELEASE

SMARTER SOLUTIONS, INC. NAMES DAVE BEHRENDSEN MASTER BLACK BELT

AUSTIN—June 28, 2005—Smarter Solutions, Inc has named David Behrendsen Master Black Belt as of April 4, 2005.

Behrendsen has joined Smarter Solutions and is responsible for providing consulting and training to Smarter Solutions' clients at the executive and practitioner levels.

Behrendsen has more than 19 years' experience in project management, training programs, applications, systems, engineering, marketing pursuit, and customer support. During the last two years, he was employed by Qualtec as a Master Black Belt leading and executing service/transactional projects. Behrendsen has also held various continuous improvement and training positions throughout his seventeen year tenure with Honeywell International in Phoenix, Arizona, where he was responsible for leading activities in the Six Sigma DMAIC approach on early preventative solutions for all national-based companies.

"Dave is a great complement to our team with his transactional project experience and valuable analytical skills. Combined with his strategic thinking and winning personality, he continuously elevates our company to the next level," said Director of Finance and Operations, Don Maranca.

Behrendsen holds a Bachelor of Science in Electrical Engineering from the University of Phoenix in Phoenix, Arizona and a Master of Business Administration in Technical Management from the University of Cincinnati in Cincinnati, Ohio.

Smarter Solutions, Inc. is a highly-respected, international consulting firm offering a full complement of Lean Six Sigma consulting, coaching, public on/off-site training and certifications (including Master Black Belt, Black Belt, Green Belt, and Yellow Belt). Smarter Solutions aspires to be the best world-class firm for designing and applying innovative enterprise-wide performance measures and business solutions.
